

COMPANY PROFILE: R2CELL

Connecting You to the Future of Mobile Technology

1. Executive Summary

R2Cell is a leading retail and wholesale distributor of mobile communication devices, smart accessories, and certified pre-owned technology. Established with a vision to make cutting-edge mobile technology accessible and affordable, we bridge the gap between global smartphone manufacturers, secondary markets, and consumers.

We specialize in both brand-new and high-quality graded pre-owned devices. Whether catering to individual tech enthusiasts looking for value, corporate clients looking to cost-effectively equip their workforce, or retail partners sourcing inventory in bulk, R2Cell delivers authentic products, transparent grading, highly competitive pricing, and unparalleled customer service.

2. Vision and Mission

Our Vision

To become the region's most trusted and innovative destination for new and certified pre-owned mobile technology, recognized for outstanding quality, transparency, and affordability.

Our Mission

- **Transparency in Grading:** To implement strict quality control standards so customers always get exactly what they pay for.
- **Affordability:** To offer flexible pricing tiers (Like New to Grade C) that make premium technology accessible to every budget.

premium tech.

- **Customer Delight:** To offer a seamless purchasing experience backed by functional warranties and direct customer support.

3. Core Values

- **Integrity:** We do business transparently. We never mask cosmetic faults, and we accurately report the battery health and hardware condition of every device.

7. Frequently Asked Questions (FAQ)

General & Grading Questions

- **Q: Are all R2Cell devices fully functional?**

functional. Each phone passes our rigorous 40-point hardware and software diagnostic checklist before being listed for sale.

- **Q: What is the battery health expectation for pre-owned devices?**
 - **A:** Battery life is closely tied to our grading system. *Like New* devices feature a battery health capacity of 90% or higher. *Grade A* devices have 85% or higher, and *Grade B* and *Grade C* devices maintain a healthy capacity of 80% or higher.
- **Q: Do the pre-owned devices come in their original manufacturer boxes?**
 - **A:** To keep our pricing highly competitive and reduce environmental waste, graded pre-owned devices are shipped in custom, eco-friendly R2Cell protective packaging rather than original retail boxes.

Warranty & Returns

- **Q: Do you offer a warranty on pre-owned devices?**
 - **A:** Yes. We provide a comprehensive 90-day functional warranty on all our graded pre-owned devices. This warranty covers hardware and software malfunctions but does not cover accidental physical damage, water damage, or unauthorized modifications.
- **Q: What is your return policy?**
 - **A:** We offer a 14-day return and exchange policy. If a device has a functional defect upon arrival, we will replace it or issue a full refund immediately.

Wholesale & Shipping

- **Q: How can I place a bulk or corporate order?**
 - **A:** You can register for a wholesale account by emailing our corporate sales desk at b2b@r2cell.com. Once approved, you will receive our daily inventory sheets and gain access to custom volume-based pricing discounts.
- **Q: Do you ship internationally?**

prevent transit damage and include end-to-end tracking coordinates.
